Hi Michael,

Unfortunately, I can't re-activate the link. I have reloaded the files and you should be getting an email shortly with a new link. You will need to download the files to your computer to avoid this happening again.

Please let me know if you have any issues accessing the files.

Thanks,

Suzy

John and Suzy,

I tried to link to the data gap sampling report to continue my review, only to discover that the link is no longer active:

<https://www.wetransfer.com/downloads/b40f7ba085951983aa551298ed5f1bc620150217192519/bfc5d9f6918572c0322afcdcb3c8478620150217192519/23d285>

Can you please re-activate it? Thank you!
